

**FY 2008-2009 – ANNUAL REPORT
HEARING COMMITTEE**

The Hearing Committee met 2 times in 2008. Both property owners showed up for their hearings. One hearing was for a nuisance trailer and that property owner was found to be in violation and paid his fine. The other was being fined for operating an illegal business on his Crystal Lakes property. He too was found to be in violation and ordered to cease and desist and pay up his fines. It is unknown if he has followed through with payment at this time (he was planning on taking this up with the Larimer County Commissioners).

There were at least 7 nuisance trailer violations sent to property owners, and they were resolved through the office without hearings.

Committee Member Maurine Sanford had to resign her position, and Diana Ward volunteered to take her place. Susan Vance and Jim Tiffin continued to serve on the Panel.

As a reminder, it is important to note that the Hearing Committee can only make decisions based on the facts that are available to them in the form of reports. In some cases, a violation may have occurred, but if the documentation is not complete, then the Panel has no option but to drop the charges.

Respectfully submitted,
