

**FY 2008-2009 – ANNUAL REPORT
POLICY & DOCUMENTS COMMITTEE**

A new Policy & Documents Committee was established February 2009. The new members are Ardie Yowell, Dan Defibaugh, Bill Popejoy, Jerry Valko, and Jeanette Williams. The committee had its first meeting March 20, 2009.

Two valuable members resigned in 2008 Herb Cooper and Ruth Ludwig. Ruth Ludwig was interim chairperson until February 2009 when Jeanette Williams was appointed chairperson.

All the board requested documents had been reviewed and updated by the previous committee. The revised Crystal Lakes Road and Recreation Association Articles of Incorporation & Bylaws, revised by the previous committee, were accepted and approved by the CLR&RA Board January 17, 2009.

Our goal is to learn and understand the documents governing Crystal Lakes in order to better serve the community. We appreciate all of the hard work and personal commitment of the previous committee members; Ruth Ludwig, Maureen Sanford, Peggy Reffel, and Herb Cooper.

The first topic considered by committee this year was to draft changes to the “SIGN” policy in the Crystal Lakes Policy Owner’s Handbook and the CLR&RA Policy Manual. The request to revise and clarify this policy was made by the Board in January. This committee’s draft was presented to the Board March 21, 2009.
