

# SEEDLING PROGRAM ORDER FORM

Filing \_\_\_\_\_ Lot \_\_\_\_\_

Date Order Received \_\_\_\_/\_\_\_\_/\_\_\_\_

The seedlings will come in flats of 30 per species. They will have top height of 5"-12" and come in 2"x2"x7" square pots. The seedlings will be purchased from the Colorado State Forest Service nursery in Fort Collins and transported to Crystal Lakes on Saturday, June 12, 2010, by the Greenbelt Management Committee for your pick up in the Base Camp parking lot from 8 a.m. to noon. This is the morning before the Annual Crystal Lakes Road and Recreation meeting.

To participate in this program you will need to make payment of \$54.45 per pallet and submit your order to the CLRRRA office or mail to:

CLRRRA  
300 Tami Road  
Red Feather Lakes, CO 80545

Checks should be made payable to CLRRRA. If the nursery is unable to completely fill our order, trees will be distributed based on the earliest order and payment date. If your order is not available a refund will be issued.

The CSFS provided the following descriptions and conditions for each of the selections:

**Engleman Spruce:** 70-90' tall, 15-30' spread, drought resistance-very good, 8,000-11,000' elevation, some shade.

**Douglas Fir:** 70-100' tall, 20-35 spread; best on east and north slopes; 6,000-11,000' elevation.
