Primary badges are issued to persons with their names on the property's title only. Permanently and legally disabled dependents and dependent children under 21 years of age will also be issued fishing badges at the CLR&R office.
- D) NON-MEMBERS: All other persons who wish to fish in Crystal Lakes must be the guest of a fishing member in good standing. Each guest angler must have a valid guest pass as described in Section III.

- A) All guests, adults and children, must have a guest pass *before* fishing.
- B) Each membership unit (property) is allowed up to ten (10) guest anglers on any given day.
- C) DAILY GUEST PASSES:
 - 1) Members are encouraged to accompany their guests. Any guest who is unaccompanied must have a letter of authorization, signed by a member in good standing. The letter must be presented in the office at the time of badge purchase and then kept in the guest's possession at all times while fishing in Crystal Lakes. This letter shall include the member's name, lot and filing, guests name(s), specific date(s) authorized, a phone number where the member can be reached on the specified dates, and member's signature. - 3) Adult Guest With Member badges may be used by guests of any age. Youth Guest With Member badges may only be used by guests aged 15 and under.
 - 4) All fish kept must be applied to the accompanying member's limit. Even if more than one Guest with Member badge is used, the member's limit still applies.
 - 5) A maximum of four (4) Guest with Member badges may be purchased per property.
- E) **REDUCED RATE CARD:** Members may purchase bulk rate punch card(s) for \$250 which may be exchanged for 20 youth or 10 adult day passes or a combination of the two.

 - 4) **ANNUAL LEASES:** - Members who wish to transfer their rights (except voting) and benefits (e.g., fishing, trash disposal) to another party may lease their property on an annual basis. In this manner, members who are unable to enjoy the area and owners of multiple lots can transfer this opportunity to others via a bona fide lease agreement that is renewable on a yearly basis. A signed copy of the lease agreement must be presented to the Association Office. The lease agreement must specifically state if fishing benefits are to be transferred and, if so, the member must relinquish all badges for the leased property. The lessee is then entitled to two adult badges for people named on the lease and badges for their dependent children under the age of 21. Members may not be named as lessees as that is not the intent of this policy.
