This message goes out to all Crystal Lakes folks on the Group Email.

Dear Crystal Lakes Property Owners:

I have had several inquires about the for sale sign in front of my cabin this week, I would like all of you to know that should the cabin sell I will be replacing it with a smaller cabin or a lot to build a new smaller cabin. It's been very difficult for me to try to move forward after losing Jeanne and I hope this will help in that process. Crystal Lakes is a special place and I cannot imagine not being part of the community. The support, caring and love that people have shown me is incredible, Thank You so much Steve Smalley

I'll keep you posted,  
Jody
