

September 11, 2011

The CLVFD participated in the Larimer County-wide simulcast of a minute of silence followed by a minute of sirens beginning today at 11:00 a.m. to recognize and honor those who lost their lives ten years ago in the attack on the World Trade Center, the Pentagon and in Shanksville, PA. CLVFD personnel drove four of their fire apparatus to Basecamp parking, where they participated in the tribute.

Members are reminded that it is against the law to feed wildlife; do not place salt blocks or grain out for any of the animals. Help keep our wildlife wild and free.

The Beetle Busters will resume their inspection reservation process on October 1st. You can find the "Request An Inspection" form in the Beetle Buster section of the Greenbelt Management page on the Association's web: www.crystal-lakes.org. We thank these volunteer Beetle Busters for their willingness to assist members with this important service.

While you are on the web, be sure to browse through the photos which were submitted for the Photo Contest. Congratulations to the 1st, 2nd, and 3rd place winners in each of the four categories. A special thanks is extended to the panel of judges, Bill Popejoy, Carol Jackson and Ross Reid for their willingness to make the selections. In addition, thanks go to Bryon and Sharon Fessler, who have worked to organize and encourage participation in the contest, this year resulting in 152 photos from 40 property owners being submitted. Bryon and Sharon see that the winning photos are framed and on display in the Restaurant for the rest of the year. Congratulations everyone.

I'll keep you posted,
Jody
