## Crystal Lakes Phone Directory

As you know, the office maintains a directory of Crystal Lakes property owners' local phone numbers, which is available to all property owners. In the past this list has included only property owners with local landlines, although owners could ask to have their number(s) added to the list. In this day of growing cell phone use, however, we are aware that there may be many people who do not have a landline in Crystal Lakes, who want to be included in the phone directory.

We are in the process of updating the phone directory and need your help with the following:

- Local landline numbers (881 numbers) will be included automatically. If you have a local landline and do not wish to be included in the directory, please let us know.
- If your contact information in the previous directory was incorrect, please let us know.
- If you do not have a local landline and want your number(s) included in the Crystal Lakes phone directory, please send your name, filing and lot, and up to two phone numbers (including area code) to the office via email at: [crystal-lakes@crystal-lakes.org](mailto:crystal-lakes@crystal-lakes.org) or by calling the office at 970-881-2250. (Email is preferred when possible to avoid any transcription errors.)

The directory will be updated in two stages. The first deadline for updates will be January 31st. The second deadline for this year's update will be March 31st. Please let the office staff know if you have any questions.

If you would like to pick up a Crystal Lakes directory after it is updated, simply ask for one at the CLA office when you stop by.

I'll keep you posted.  
Jody
